

Study Qs – Week 4 Colossians – 8.11.20

Hi groups, here are your study questions...

In addition to taking time to explore deeper the message this weekend - Colossians 3v1-17 you will see there are two actions that I feel would be good to complete...

Many thanks,

James

1) How can we be bringers of Peace and Grace?

2) What does it mean to you to put on the new nature of God - give an example of what that looks like to you and others?

3) If the new nature is peace and grace - examples of what you could do tomorrow to demonstrate that - family, friends, colleagues, neighbours?

Action A) Pray for each other to receive a renewed sense of peace and Gods grace.

Action B) Choose a Psalm to end the evening - someone in group to volunteer and read to rest of group.
