WEEK 3

JESUS, LIGHT OF THE
WORLD.

Jesus, light of the world.

Talk

What happens about 5:00p.m every day at the moment? Yes, it gets dark.

What does mum and dad do when you're tucked in bed ready to go to sleep?

Yes, they turn out the lights.

What happens when you close your eyes? Yes, it goes dark.

Darkness is often referred to as something scary and evil, perhaps when bad things happen.

Darkness can also be how a person lives if perhaps they are blind and cannot see.

Darkness can also be a feeling, perhaps of loneliness, or sadness.

The bible says that there is one who can bring light into all these situations.

Who do you think can bring light? Yes, Jesus can bring light, in fact the bible says he is light; He is the light of the world!

Read

Again **Jesus** spoke to them, saying, "I am the **light of the world**. Whoever follows me will not walk in darkness, but will have the **light of life**." John 1:5 The **light** shines in the darkness, and the darkness has not overcome it.

Discuss

What happens when you turn a light on?

What happens when the sun comes up?

What happens when a blind person can see?

What happens when you feel happy and are with family or friends?

All of these things represent light, and light means we can see all around us. We can see people and creation, we can feel safe and secure and happy and included.

The bible passage says, Jesus is the light of the world. He lights up the darkness and he can light up our life too.

When we have Jesus in our lives, he helps us overcome darkness, he helps us choose goodness, happiness and truth. The light shows up all the dirt, and rubbish and bad things, so we can stay away from them.

Jesus wants us to keep in the light.
