

Study / Discussion Questions based on talk given on Sunday 31st Oct.

Please read: The Book of Jonah.

**1. Like Jonah, are there areas in life where you are running away from God?
As difficult as this might be, could you share it with the group?
(This might be a good moment to pray for one another)**

**2. What have been or are our 'in the belly of a Great Fish' moments and how did God rescue you?
(A good moment to testify to God's great mercy in our lives)**

**3. Life's 'big question' can be what is my 'assignment' from God?
Identify 3 ways in which God calls people in The Bible.
What is God calling you into? (Bearing in mind we all still have a calling, no matter our stage in life)**

**4. Jonah was angry with God because He had mercy on people who Jonah felt didn't deserve it.
Are there people in our life we feel that way about?
(This might be very difficult but ask God to help you see that He has shown mercy to us therefore we're called to show mercy, no matter how difficult that might be.)
Pray that God can give us a heart to forgive and show mercy to those we feel don't deserve it.**
