

Discussion and Study Questions –

Prayers of Jesus – Hearing His Heartbeat series. Wk #3

The Lord's Prayer.

Please read: Matthew 6:5-15

- Ask the group how they would recite the Lord's Prayer. Do they say debts/trespases/sins? Do they say the last line? Etc
- Do you recall when/where you first heard the Lord's Prayer?
- Do you often think of the Lord's Prayer as a model for how our prayers should look? Or more as a liturgical prayer said together in church?
- On Sunday, Jacob talked about God's heart to make a way for His people to get to Him, and Him to them. What experience do you have of God 'making a way' in your life?
- You could finish by discussing people/situations where you would like to see God 'make a way', and pray for them!
